

St. Vincent de Paul Pharmacy
5750 Pineland Drive, Suite 280
Dallas, Texas 75231
Ph. 469 232-9902 Fax 469 687-9126

St. Vincent de Paul Pharmacy is a 501(c)3 not-for-profit charity and a licensed, Class A Community pharmacy, the first stand-alone charitable pharmacy serving the general public in Texas and providing free prescription medications for those who qualify for service.

Qualifications for service are no health insurance coverage, family income < 200% of FPL, a Texas residence and supporting documentation. An Intake Form can be found at our website, www.svdpdallas.org. An applicant can call the pharmacy at 214 232-9902 for assistance in filling out the intake form, and qualification is good for 12-months, unless an applicant's status changes; i.e. becomes insured or has an increase in income to above 200% of the FPL. After 12 months, requalification is necessary.

In addition to an Intake Form, other information is on our website, including our current Formulary and Frequently Asked Questions.

If you are a hospital social worker, a care coordinator, work in a hospital's emergency department, and/or a provider in private practice, please let your uninsured, lower-income patients that they may be able to get free prescription medications from St. Vincent de Paul Pharmacy. We can help them with the qualifying paperwork, and you can E-prescribe or fax prescriptions to the St. Vincent de Paul Pharmacy, or give them paper scripts to bring to the pharmacy for filling.

And we **love** to collaborate with charitable clinics and other safety-net providers so that your patients can pick up their prescription medications at your clinic, rather than have to travel to our pharmacy to pick them up. We would love to discuss this possibility with you.
