BSWH.md/GERDConference

2001 Bryan St., Suite 750 | Dallas, TX 75201

Physicians provide clinical services as members of the medical staff at one of Baylor Scott & White Health's subsidiary, community or affiliated medical centers and do not provide clinical services as employees or agents of those medical centers, Baylor Scott & White Health. ©2018 Baylor Scott & White Health. BSWAWR_22_2018 Broch GS.

Conference Overview

This conference will present the opportunity to explore clinical challenges in reflux disease in a day filled with didactics, interactive cases, and panel discussions with a multidisciplinary faculty of gastroenterologists, surgeons and internists.

Continuing Medical Education

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 4.5 AMA PRA Category 1 Credits.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For more information, please visit EsophagealDiseasesTx.com

Conference Objectives

- Identify the risks and benefits of proton pump inhibitor therapy and how to step up or step down to use the least amount of medication to control symptoms
- Demonstrate the ability to prepare patients for diagnostic esophageal workup
- Define basic principles of workup of reflux in a patient
- Analyze how to exclude esophageal disorders other than reflux in a patient who has heartburn type symptoms
- Summarize management of reflux in terms of diet, lifestyle, medications and surgery

Registration Fees & Information

All physicians \$25
All non-physicians, residents, fellows,
med students \$15
