3rd Annual Baylor University Medical Center

IBD Center Conference:
Treating IBD in 2018 – How Close Are We to the Promise of Personalized Medicine?

Saturday, April 14, 2018
Baylor Charles A. Sammons Cancer Center – 10th Floor
3410 Worth Street
Dallas, TX 75246

Register at www.BSWHealth.md/CME or call (214) 820-2317

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
Course Description

Tremendous progress has occurred in our understanding of IBD mechanisms. In the future, the selection of treatment will be personalized, i.e., will be based on the genetic composition, microbiomic profile and immunologic phenotype of the patient. This CME course will review the current state of the art and outlook for mechanism-based therapies. The course will also address other aspects of individualized management, including smoking cessation, transition from pediatric to adult IBD care, psychiatric treatment and management of dermatologic disease.

Course Objectives
- Identify the different approaches to smoking cessation
- Select therapy according to patient risk
- Identify patients who are good candidates for immunomodulatory therapy
- Select biologic agent tailored to the needs of the individual patient
- Identify the different approaches to smoking cessation

Location
Baylor University Medical Center
Baylor Charles A. Sammons Cancer Center, 10th Floor
3410 Worth Street
Dallas, TX 75246

Faculty

Course Director
Themistocles Dassopoulos, MD
Adjunct Professor of Medicine, Texas AM University
Director, Baylor Scott & White Center for Inflammatory Bowel Diseases
Baylor University Medical Center, Dallas, TX

Guest Faculty
Peter J. Mannon, MD
Professor of Medicine and Microbiology
Director, UAB Inflammatory Bowel Disease Center

Ashish S. Patel, MD
Associate Professor, UT Southwestern Medical Center
Director, Southwestern Center for Pediatric IBD

R. Balfour Sartor, MD
Midgett Distinguished Professor of Medicine, Microbiology & Immunology
Director, LKP, Multidisciplinary IBD Center
Co-Director, Center for Gastrointestinal Biology & Disease

William Tremaine, MD
Professor of Medicine, Division of Gastroenterology and Hepatology
Mayo Clinic

Course Co-Director
Walter R. Peters, Jr., MD, MBA
Chief, Division of Colon and Rectal Surgery
Baylor University Medical Center at Dallas
Dallas, TX

Christopher Johnson, MD, PhD
Director, Baylor Scott & White IBD Center Central Division
Baylor Scott and White Health
Temple, TX

Agenda

Saturday, April 14, 2018
7:35 AM  Registration and Continental Breakfast
7:45 AM  Welcome and Course Overview

SESSION 1
8:00 AM  Progress Towards an Integrated Classification of IBD
Peter J. Mannon, MD

8:30 AM  The Intestinal Microbiome in IBD: Therapeutic Implications
R. Balfour Sartor, MD

8:50 AM  Risk Stratification in IBD
Themistocles Dassopoulos, MD

9:10 AM  Individualizing Therapy According to Disease Mechanism
Peter J. Mannon, MD

9:30 AM  Panel Discussion/Q&A

9:50 AM  Morning Break/Exhibit

SESSION 2
10:00 AM  Do Immunomodulators Still Have a Place in IBD?
Christopher Johnson, MD, PhD

10:20 AM  Selecting The “Right” First-Line Biologic Agent
William Tremaine, MD

10:40 AM  New Therapies on the Horizon
Themistocles Dassopoulos, MD

SESSION 3
11:00 AM  Should Deep Remission be a Treatment Goal? Yes
R. Balfour Sartor, MD

11:20 AM  Should Deep Remission be a Treatment Goal? No
William Tremaine, MD

11:40 AM  Panel Discussion/Q&A

12:00 PM  Lunch & Case Discussions/Exhibits

Accreditation and Credit Designation Statements

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Registration Fees & Instructions

3rd Annual Baylor University Medical Center
IBD Center Conference 2018:
Treating IBD in 2018 – How Close Are We to the Promise of Personalized Medicine?  Saturday, April 14, 2018

Registration Fees
Physician, Mid-Level Providers, Other ................................................................. $75
GI Fellows ........................................................................................................ $0

Register Online Today:  www.bswhealth.md/CME

Mail Checks To:  Baylor University Medical Center, A. Webb Roberts Center for CME, 2001 Bryan Street, 6th Floor Dallas, TX 75201

For more information: Email cmeregistration@bswhealth.org or call CME Coordinator Tajuanekia Davis at (214) 820-2317
