Baylor Scott & White Health is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

PT/OT and Social Worker credits will be provided, pending approval. PT: This activity is provided by the Texas Board of Physical Therapy Examiners Accredited Provider and meets continuing competence requirements for physical therapist and physical therapist assistant licensure renewal in Texas. OT: This course may qualify for 7.5 CEs for OT. It is the responsibility of the OT to determine if this course meets the TBOTE requirement for Continuing Education. TBOTE states that professional development activities that meet the requirements must be directly concerned with one or more of the following: OT practice as defined in the OT Rules (§362.1), health conditions treated by OT, ethical or regulatory matters in OT, or OT documentation or reimbursement for OT services.
