February 19, 2019

On behalf of our course directors Dr. Haala Rokadia and Dr. Randall Rosenblatt, I would like to invite you to exhibit at our “3rd Annual Pulmonary and Critical Care Medicine Symposium” This year’s conference is scheduled for April 13, 2019 and will take place on the 17th Floor of the Roberts Building at Baylor University Medical Center Dallas, Texas.

Exhibit space is available and the exhibit fees will not be used toward the cost of CME, entertainment, food or speaker expenses. Full exhibit fee for the conference is $1,000.

We anticipate approximately 60 healthcare professionals. The majority of the attendees will be physicians with the balance consisting of physician assistants, nurse practitioners and respiratory therapists.

To reserve exhibit space, please register by clicking the following link:
3rd Annual Pulmonary & Critical Care Medicine Symposium - Exhibitor Registration

Payments can be made online when registering or if paying by check, please make payable to A. Webb Roberts Center for Continuing Medical Education (Tax ID# 46-3131350) and remitted as follows:

Baylor Scott & White Health
A. Webb Roberts Center for Continuing Medical Education
ATTN: Cheryl Massar
2401 S. 31st Street
Temple, Texas 75246

If you require additional information, please feel free to contact me directly at (254) 724-5470 or Cheryl.Massar@bswhealth.org

Thank you for your continued support of our continuing medical education activities.

Sincerely,

Cheryl Massar
CME Coordinator
The A. Webb Roberts Center for CME

| 10:15 AM | Role of Lytic Therapy in Venous Thromboembolic Disease:  
**Mohammed Mogri MD**                                                                                |
| 10:45 AM | How What We Inhale Impacts Our Lungs: Marijuana, Vaping, Occupational Exposures:  
**Randall Rosenblatt MD**                                                                               |
| 11:15 AM | Management of Sarcoidosis and Parasarcoidosis Syndromes:  
**Haala Rokadia, MD**                                                                                 |
| 11:45 AM | Genetics in Interstitial Lung Disease:  
**Susan Mathai MD**                                                                                     |
| 12:15 PM | Lunch & Exhibits                                                                             |                                                |
| 01:00 PM | Update on Shock – Vaspressors, Steroids and Vitamin C:  
**Adam Hayek MD**                                                                                     |
| 01:30 PM | Pulmonary Hypertension: Diagnostic Approaches and Management:  
**Chetan Naik MD**                                                                                     |
| 02:00 PM | Lung transplantation: Referral Timing and Pre/Post Transplant Care:  
**Puneet Garcha MD**                                                                                 |
| 02:30 PM | Afternoon Break and Exhibits                                                                |                                                |
| 02:45 PM | **WORKSHOPS**                                                                               |                                                |
|         | Breakout Session #1 - Oxygen Delivery Systems & Noninvasive Ventilation:  
**Robert Ritchey BA RRT & Mark Whitford BA RRT-ACCS**                                                      |
|         | Breakout Session #2 - Hands-On Lung Ultrasound:  
**Thoris Pan MD and Ginger Tsai-Nguyen MD**                                                              |
| 03:15 PM | Physician Satisfaction & Resiliency:  
**Mark Casanova MD**                                                                                     |
| 03:45 PM | Updates on Research:  
**Joost Felius PhD**                                                                                   |
| 4:00 PM  | Closing Remarks:  
**Haala Rokadia, MD**                                                                                 |
Exhibitor Prospectus

Conference Location
Baylor University Medical Center
A. Webb Roberts Building – 17th Floor
3500 Gaston Avenue
Dallas, TX 75246

Exhibit Time
Exhibitors will have designated exhibit times with the participants and speakers. (Breakfast, breaks and lunch) It is anticipated approximately 60 participants will attend (90% physicians).

Exhibit Space Specifications
Exhibit tables are 6’ or 8’ and include a linen floor length drape. A table tent uniform sign will display the name of exhibitor.

Exhibit Location
Exhibit tables are located in an area separate from, yet adjacent to the educational area.

Set-up & Tear Down
You may arrive to set up your exhibit space on Saturday, April 13, 2019 beginning at 6:30 a.m. Tear down would be after the lunch hour. These times are tentative and could change up to seven days prior to the conference at the discretion of the venue. If set up time does change, you will be notified via email.

General
Acknowledgement will be given at the appropriate level of support as specified upon exhibitor agreement.

If you have any questions or would like additional information, please do not hesitate to contact Cheryl Massar at 254-724-5470 or email at Cheryl.Massar@bswhealth.org
