

## UROLOGY VISITING STUDENTS

### Under-Represented in Medicine (URiM) Scholarship 2023

#### Baylor Scott & White Medical Center- Temple Urology Residency

**Overview:** Baylor Scott & White Medical Center – Temple Urology Residency Program in Temple, Texas recognizes and values the contributions made by those of diverse backgrounds to the field of medicine. We would like to offer visiting students the following scholarship program to promote diversity, inclusion, and cultural sensitivity. By providing this scholarship, we will be able to highlight and enhance the visibility of our program in hope to encourage students from different backgrounds to apply to our residency. We hope to provide equal opportunity and prepare these students to enter the competitive world of medicine regardless of race, ethnicity, or socioeconomic class.

#### Details:

There will be **two** scholarship recipients for 2023 visiting students.

- Scholarship recipients will be reimbursed up to **\$1,500** for travel, housing, and other living expenses while completing a 4-week Urology clerkship at Baylor Scott and White Medical Center - Temple.
- Applicants will receive guidance and mentorship from our outstanding faculty to help the applicant shine during their clerkship.

#### Criteria:

- This opportunity is available to the underrepresented in medicine. It can encompass any of the following but not limited to:
  - Racial or ethnic groups (e.g. Hispanic/Latinx, Black/African-American, Native American, or Asian Pacific Islander) that are underrepresented in medicine relative to their numbers in the general population
  - Socially and economically disadvantaged backgrounds (e.g. first generation, low-income students)
  - Sexual orientation/gender identity minorities
  - Disability community
  - Students with backgrounds and experiences who would diversify their clinical fields
- Fourth-year medical students
- Student must be in good academic standing at LCME-accredited institution
- Student must be pursuing career in urology

**How to apply:**

- Student must submit one Letter of Recommendation from a faculty member who can attest to the student's commitment to a career in Urology.
- Student must complete a visiting student application through VSLO.
- Student must submit a CV.
- Student must write a brief (< 500 words) summary of why they are underrepresented in medicine and why would they like to rotate with us.

Application Deadline – June 30<sup>th</sup>
